Verse 1

I believe in miracles 'cause it's a miracle I'm here
 Guess you could call me spiritual 'cause physical is fear
 And it's safe to say the storms gone away and I'm dancing on the morning after
 Yes I'd love to stay, but my home's the other way and I miss the love and laughter

Verse 2

Every moon and every star knows who you are, you know
 So ever if gets too dark you never are alone
 And it's safe to say we surrendered a day to pay back all the love you borrowed
 And hope that I had survived yesterday and today is jealous of tomorrow
