Didn't it rain

Verses 2 & 3

Well it rained forty days and forty nights without stopping
 Noah was glad when the rain stopped a dropping
 God sent Noah a rainbow sign
 Says: "no more rain but fire next time!"

They knocked at the window and they knocked at the door
 "Noah please will you take me on board"
 "No my brothers you are full of sin,
 The Lord's got the key and you can't get in!"
