Lyrics for solo verses

Just as soon as I see Jesus, the man who made me free
 He was the man that bleed and suffered, who died for you and me
 I wanna thank him, because he brought me
 I wanna thank him, because he taught me
 I wanna thank God because he kept me
 I wanna thank him 'cause he never left me

Chorus

I'm gonna wear a diadem in the new Jerusalem
 I'm gonna walk on streets of gold in the homeland of the soul
 I'm going to view the host in white, who travels both day and night
 Coming up from every nation on the way to the great coronation

Chorus
