1. Freely

I just. want. to praise you_ I just want to praise you Lord

In the corners of mind I just can't seem to find
 A reason to believe that I can break free 'cause you see I have been
 Down for so long, feel like all hope is gone, but as I lift my hands
 I understand that I should praise you through my circumstance

Everything that could go wrong all went wrong at one time
 So much pressure fell on me I thought I was gon lose my mind
 But I know you want to see if I will hold on through these trials
 But I need you to lift this load 'cause I can't take it no more
